

ANTARCTIC CRUISING

Antarctic Peninsula

10 Days/9 Nights From US\$6,365.00

It can be a lifelong ambition to reach the Seventh Continent. It is certainly one of the most unique places on earth – where nature rules and where mankind has collectively agreed to manage this vast continent through the Antarctic Treaty in pursuit of peace and science. The wildlife and astonishing landscapes will amaze even the most seasoned traveller. The Classic itinerary cruises the Southern Ocean to the South Shetland Islands and the Antarctic Peninsula

seeking some of the best historic and wildlife sites of the Continent.

ANTARCTIC CRUISING

Antarctic Dream, Antarctica

11 Days/10 Nights from US\$6,900.00

Unique cruises & planes departing from November to March enable you to enjoy the natural wildlife and scenery of some of the world's most spectacular and pristine shorelines, above and below the oceans. There are daily excursions exclusively prepared and constantly updated taking into account both the local environmental conditions and your individual needs. The zodiac excursions, guided by foremost Antarctic experts, will give you the freedom to explore remote locations and observe Antarctica's abundant wildlife. Scuba diving options are available and expedition leaders and lectures aim to help each passenger to achieve a fulfilling and individual experience. Antarctica is most active and amazing during the southern summer.
